RECYCLED
PLASTIC

160CM BOOT LACES

Designed for all boots

IMPORTANT INFORMATION

Waterproof, snap resistant and knot slippage resistant

Manufactured using recycled plastic bottle polyester

Lab tested knot slippage tests which show how much force is required to loosen the knot

Non-wicking means water beads off instead of soaking in

Activ-Step[®] technical performance laces are waterproof, snap resistant and knot slippage resistant.

Packed with features they are manufactured using recycled plastic bottle polyester that has wear resistance higher than normal industry standards.

The packaging has been selected with careful consideration, featuring recycled and recyclable kraft card and soya inks which make it far easier for our recycling centres to process.
